Feel free to contact us should you have any privacy-related questions.

We only use and process your personal data in accordance with the GDPR and any replacement legislation, or any similar regulation under any applicable law, and any regulatory requirements or codes of practice governing the use, storage or transmission of personal data.

A cookie is a small text file that is placed on the hard disk of your computer or mobile device when you visit a website. The cookie is placed on your device by the website itself ("first party cookies") or by partners of the website ("third party cookies"). The cookie identifies your device by a unique identification number when you return to the website and collects information about your browsing behaviour.

There are different types of cookies. We distinguish the following cookies according to their purposes: there are essential or strictly necessary cookies and non-essential cookies (functional, analytical and targeting cookies)

The Belgian Act concerning the Electronic Communication of 13 June 2005 contains some provisions about cookies and the use thereof on websites. The Belgian implementation is deduced of the European e-Privacy Directive, which implies that the cookie usage and the cookie legislation is regulated differently in every European country. Ethel is a Belgium-based webshop and therefore follows the Belgian and European legislation on cookies.

Types of cookies used by Ethel

We distinguish the following types of cookies, according to their purposes:

· Essential / Strictly necessary cookies:

These cookies are necessary for the website to function and cannot be disabled in our systems. They are usually only set up in response to your actions, such as setting up your privacy preferences, logging in or filling in forms. They are necessary for a good communication and they facilitate navigating (for example, returning to a previous page, etc.).

· Non-essential cookies:

These cookies are not necessary for the website to function, but they do help us to offer an improved and personalized website.

· Functional cookies:
These cookies enable the website to offer improved functionality and personalization. They can be set up by us or by external providers whose services we have added to our pages.

· Analytical cookies:
With these cookies, we can track visits and traffic so that we can measure and improve the performance of our site. They help us to determine which pages are the most and the least popular and how visitors move through the site.

· Targeting / advertising cookies:
These cookies can be set by our advertising partners via our site. They can be used by those companies to create a profile of your interests and show you relevant ads on other sites.
